

Hickory Nut Trail Homeowners Association

UPDATE

June 16, 2023

The annual meeting for all owners was held on Sunday, May 28, 2023. Meeting minutes for this meeting as well as the latest Board meeting have been posted to our website **hntha.com**

Thanks to all that attended.

And a special thanks to Warren VanDenTop of Mountain View Drive for administering our website!

The Board recently approved engaging a grading contractor to overhaul our culvert, ditches and general road grading. The initial work has been completed. We have had problems finding grading contractors that perform up to our standards, or even showing up for appointments. This contractor has agreed to maintain our roads on a quarterly basis. We are very pleased to have accomplished this goal. Special thanks to Eddie Geller of Martin Crossing, for serving as chair of the Roads Committee and his ongoing efforts in this regard!

If you see a clogged culvert or a ditch that needs clearing, please feel free to pick up a shovel and fix it. Or let a Board member know so we can keep ahead of any drainage issues on our roads

We welcome our newest neighbors, Lauren Johnson and Shana Brooke Wheeler of Mountain View Drive to our neighborhood.

If you have any issues with our website, please contact Warren VanDenTop at wjvdt@msn.com

Best regards for the summer!

Martin Haber, President

Tom Allen, Vice President

Karen Martin, Secretary

Mona Geller, Treasurer
